

LocalTasker Returns Policy

Thank you for choosing LocalTasker. We take pride in providing high-quality products and ensuring a smooth purchasing experience. Please read our returns policy carefully before making a purchase.

Change of Mind

We do not accept returns for change of mind. Please ensure you select the right product before purchasing.

Returning Unopened Boxes

Unopened boxes may be returned; however, we highly recommend keeping spare boxes on-site after installation. This is important because flooring colors and designs can undergo slight or major changes over time, making it difficult to match new batches with existing floors.

Open Boxes

Unfortunately, we cannot accept returns on any opened boxes.

Delivery Fees

If a return requires collection from your site, additional delivery fees may apply.

Restocking Fees

A restocking fee applies to all returned products. Please contact our team for more details.

For any inquiries regarding returns, please reach out to us at:
